Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the Office Action dated July 2, 2003, the period of time being extended to November 2, 2003, by the submission herewith of a petition and fee for a one-month extension of time, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

Q' 15. (Twice Amended) A satellite television system that provides television programming to passengers on an aircraft derived from at least one satellite, said system comprising:

a video and audio signal distribution system disposed on the aircraft, the video and audio signal distribution system being configured to distribute video and audio signals to the passengers on the aircraft;
